HEARTLAND CHAPTER

Serving Illinois, Missouri, Wisconsin,
Indiana, Iowa, Michigan and Ohio

Objectives:

Following the presentation, participants will be able to:

1. Describe how family sculpting can be used to assist ED clients and family members to communicate their perceptions, emotions and hopes accurately
2. Describe how family sculpting empowers clients and family members in communication needs
3. Explain how Family Sculpting is used in therapy settings can promote psychological healing

The iaedp™ Foundation, Inc. and its affiliated chapters do not endorse any individual sponsor, treatment facilities, or their treatment philosophies.

Our Mission: The iaedp Heartland Chapter aims to provide educational opportunities to practicing professionals designed to increase awareness of eating disorder treatment and to enhance the skills of practicing professionals.
